Resources: What we want or what we need?

What we want is not always what we need **but** What we need may not be met by different resources.

HOW TO OPERATE AN INTERNATIONAL LEGAL FRAMEWORK ???

Motivation & Support:

- Resources & training
- Operational support
  - Interagency
  - Advice.

Evidence collection

Chain of custody

Prosecution

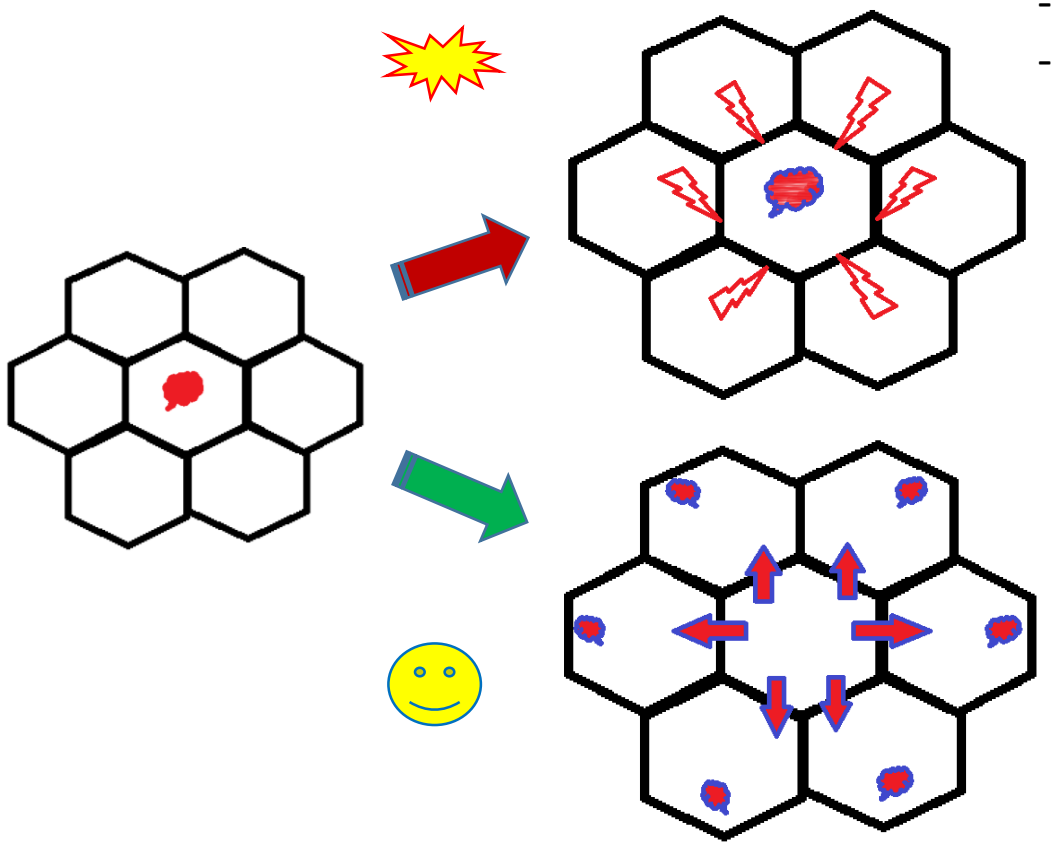
"GOOD ARTISTS COPY, GREAT ARTISTS STEAL."

BOTERO

VELAZQUEZ

PABLO PICASSO

JOAQUIM NERY



LEGITIMACY & ACCOUNTABILITY

Accountability is a tool for professional recognition.
Oversight is:

- a sign of respect for the role of the security sector;
- a resource to make politics accountable for their policies.

Lack of transparency (even if justified)

↓

Doubts on stakeholders

Transparency

↓

Trust by partners

FOR A SECURITY SECTOR WHICH IS:

NEEDED	–	SECURITY OBJECTIVES	–	HUMAN CENTRIC POWER
CAPABLE	–	PROFESSIONALISM	–	RIGHT RESOURCES/ PLANNING
ACCOUNTABLE	–	TRUST / LEGITIMACY	–	TRANSPARENCY/OVERSIGHT

WE NEED:

Coordination, Communication and Collaboration

THANK YOU.
