

AFRICA CENTER
FOR STRATEGIC STUDIES

Assessments and Outcomes

Maj. Joshua Smith

Objectives

1. Examine fundamentals of student assessments and course objective assessments
2. Analyze types of assessments and methods for gaining course feedback
3. Identify relationship between faculty development, conducting assessments and gathering course feedback

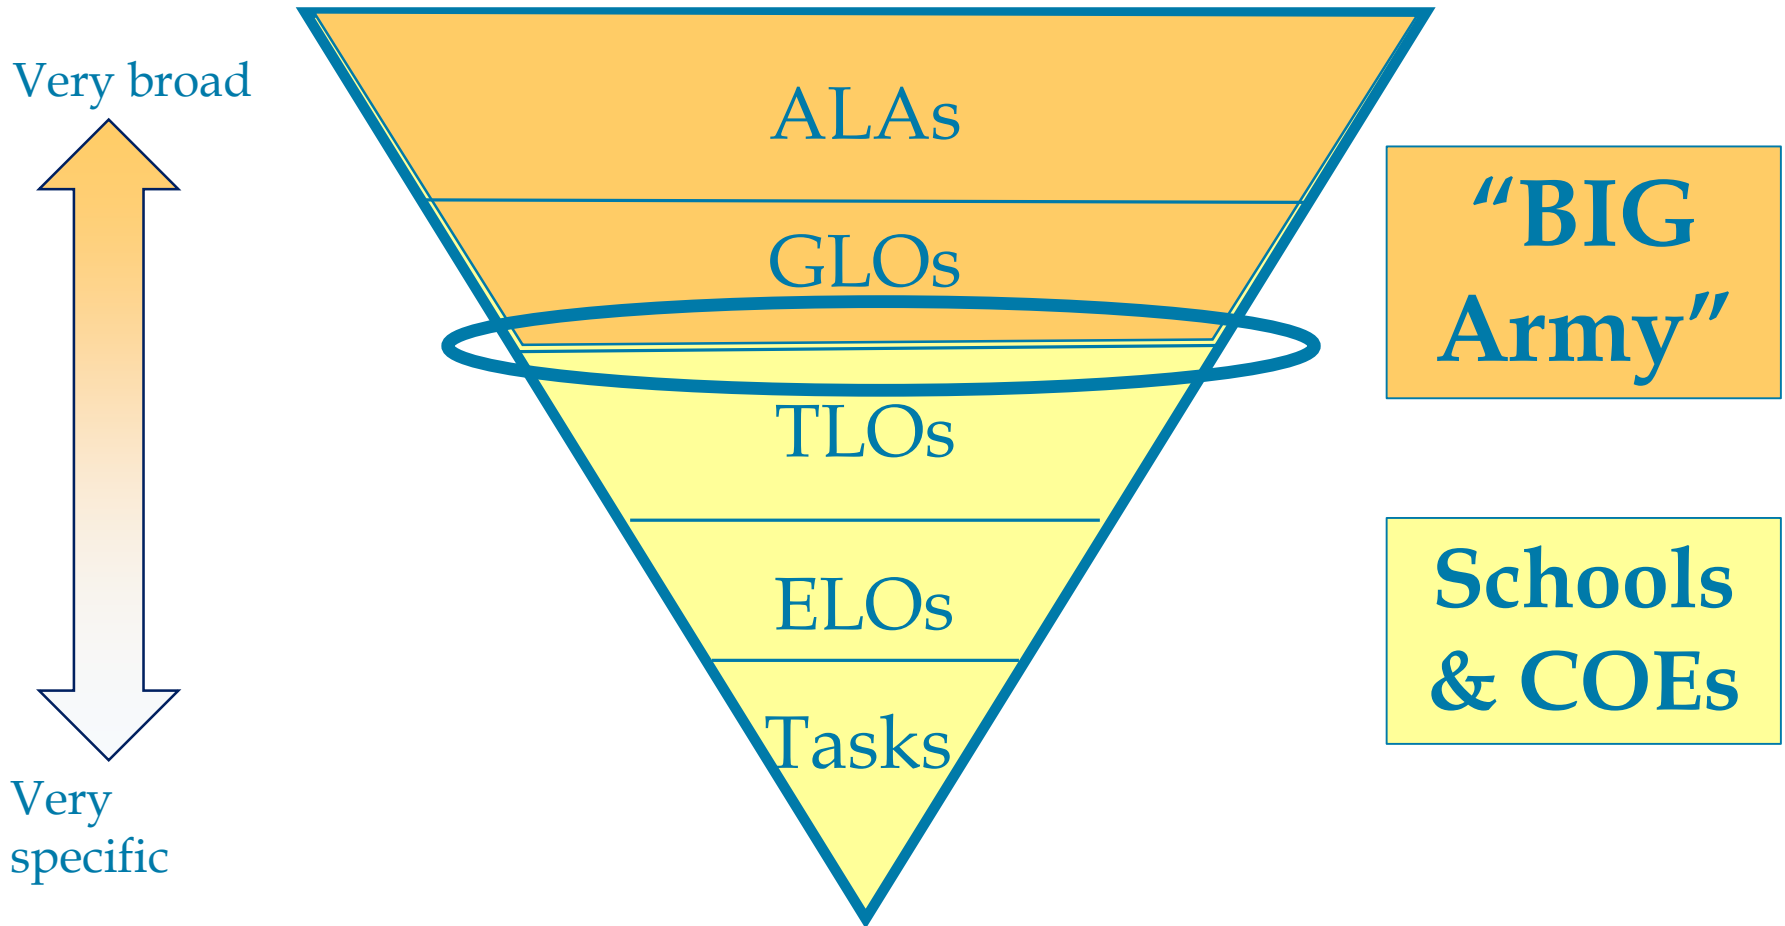

What are all the reasons a student could fail an exam?

Outcomes

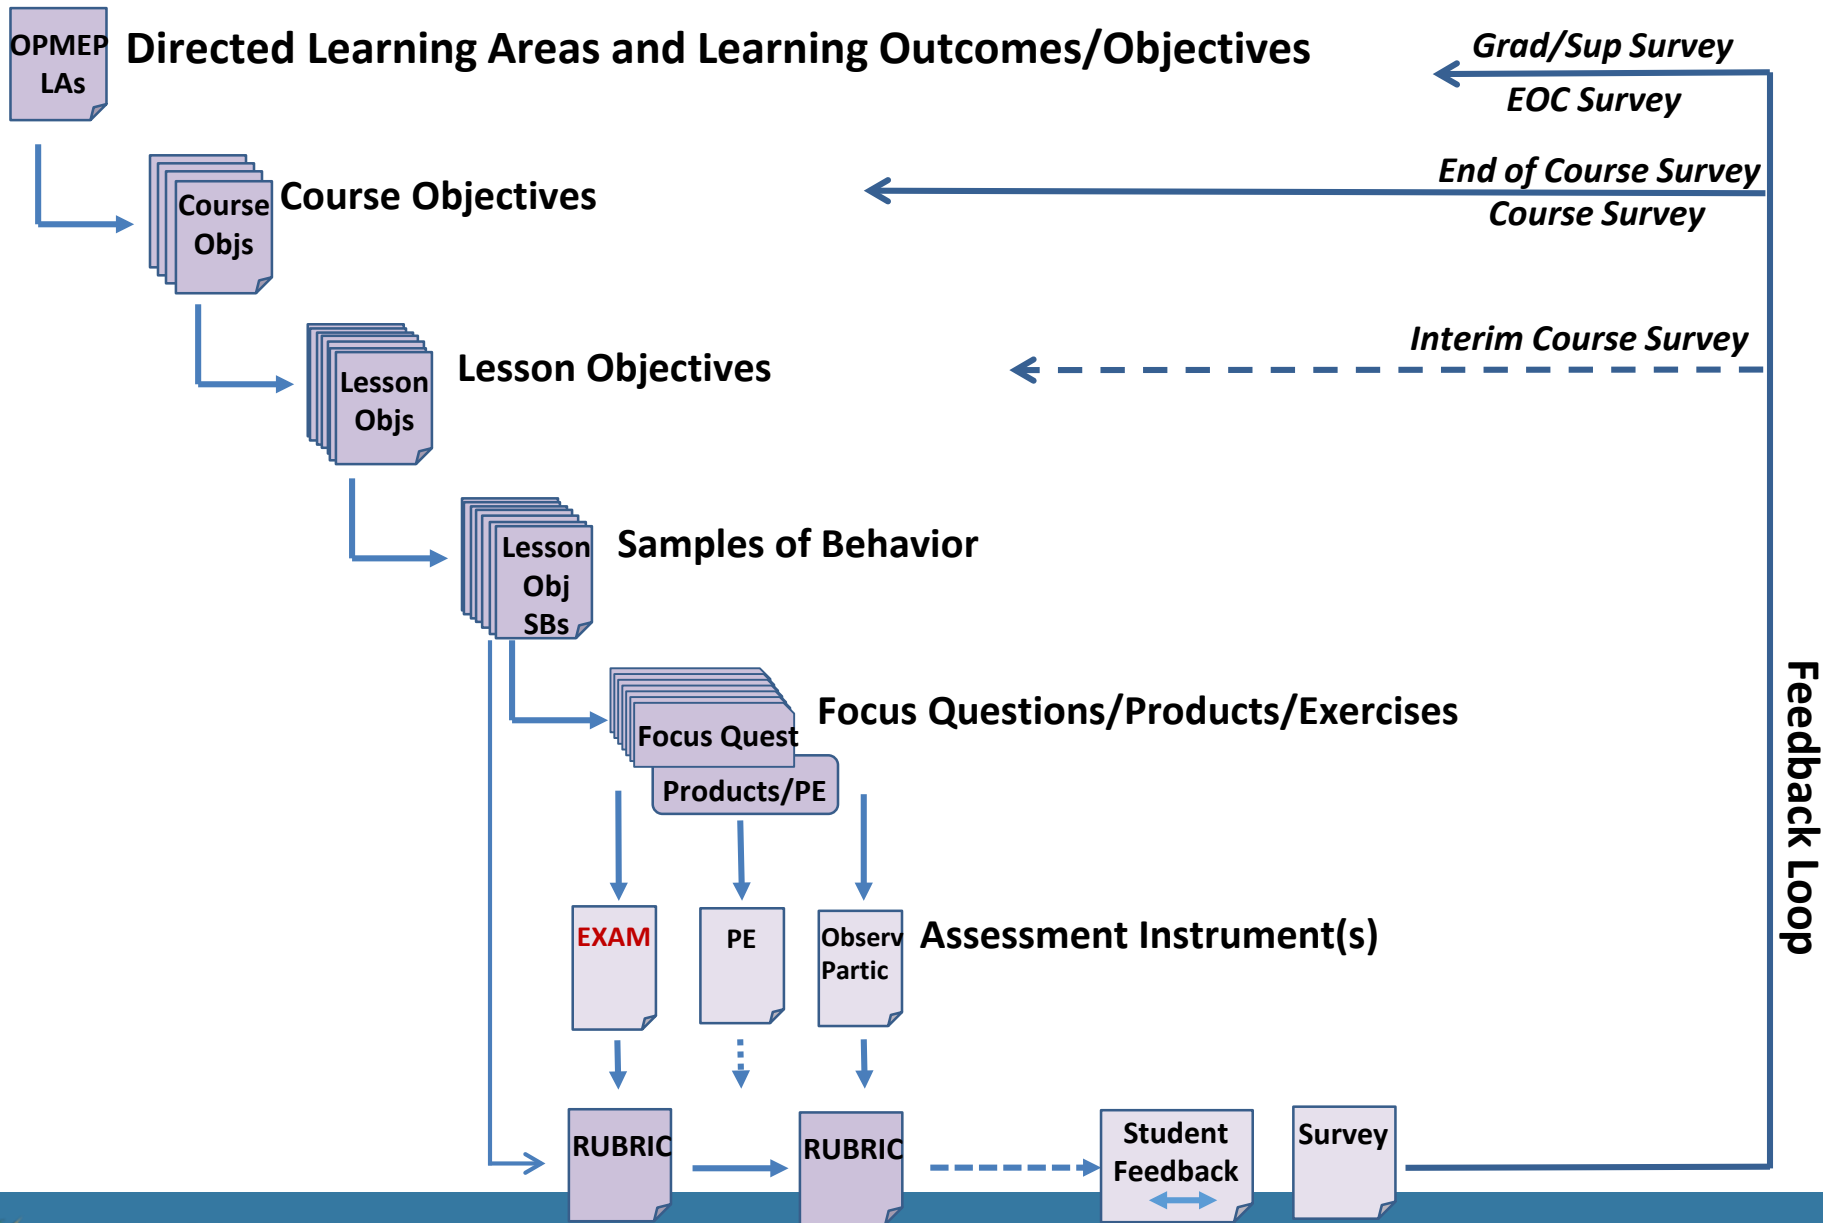

Clearly communicated
Progressive
Sequential
Meet operational need

Program Evaluation Considerations

Does your institution...

have a purpose and learning philosophy

measure if the program is working

assess performance of curriculum developers and faculty

Aligning Program Evaluation

Does your institution measure...

- curriculum/content quality and appropriateness
- faculty performance
- learning
- learning transfer
- customer satisfaction

Questions
