Impact through Insight

Harnessing Africa's blue economy for sustainable maritime security.

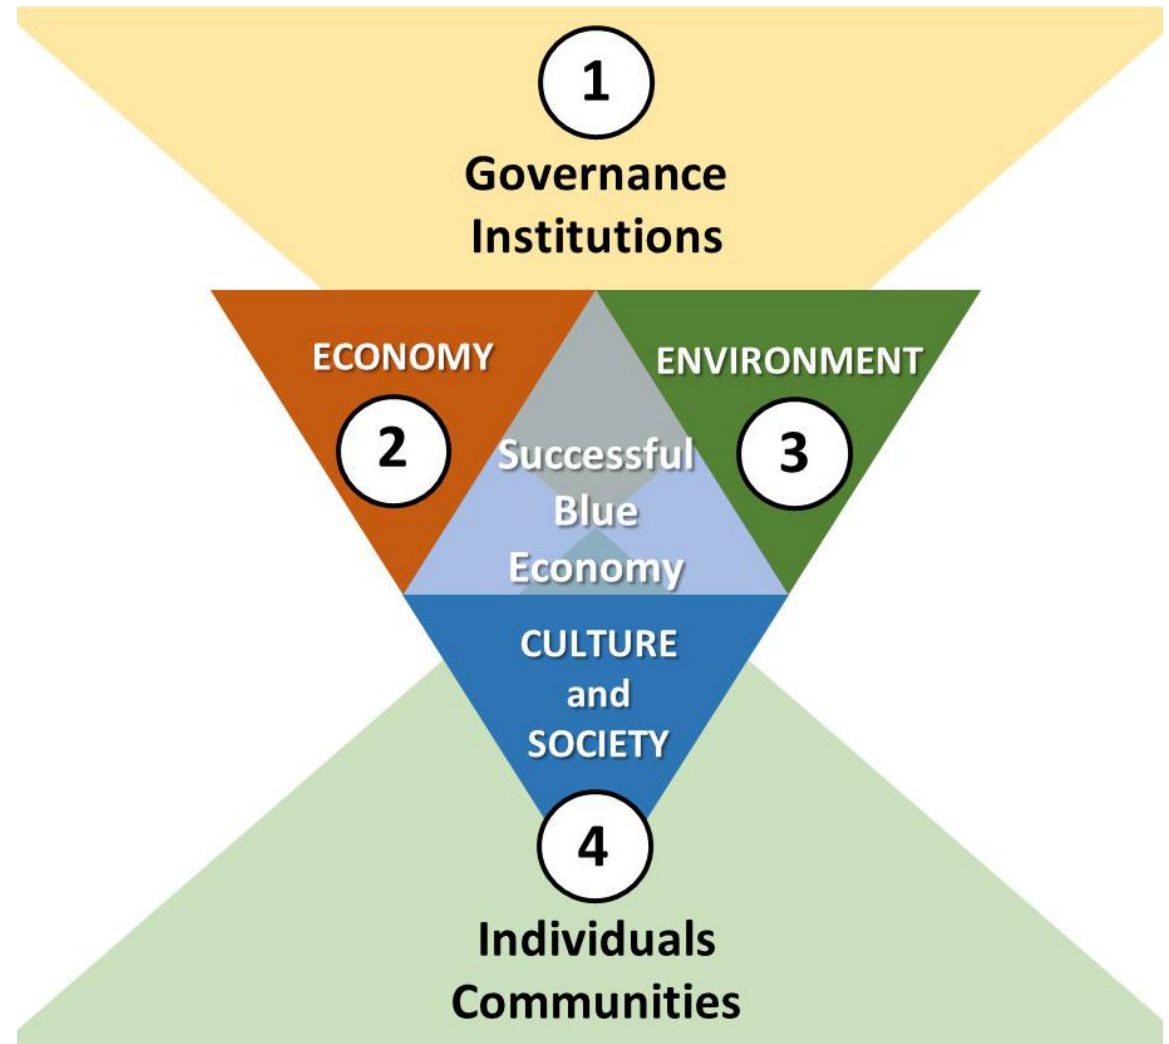

The sea, washing the equator and the poles, offers its perilous aid and the power and empire that follow it... Beware of me, it says, but if you can hold me, I am the key to all the lands – Emerson 1866.

(Okafor-Yarwood in prep)

Harnessing Africa's blue economy through strategic partnership

- Collaborative approach to resource governance
- Cooperation and collaboration with regional and international partners

(Okafor-Yarwood et al., 2020)
